To Whom It May Concern:

Please consider this official confirmation that our installation fee and meter deposit for a water meter on our system is \$1,925.00 to be paid at the time that the customer signs a contract with us to be put on the meter installation waiting list.

This fee covers only the meter installation. It does not include running of lines to the home or other extra work or materials. There is also an additional \$100.00 deposit that is refundable to the customer only when they move.

If you have any questions, please do not hesitate to contact me at the above phone number.
